

## **5 Ambulance Minimum Crew**

Adopted: 17 March 2019  
Changed:

Effective: 02 April 2019  
Effective:

### ***5.1 Purpose and Expected Results***

Both the public and civil-servants expect effective emergency medical service. For an ambulance to be effective, both patient care and transportation must be afforded.

### ***5.2 Circumstances of Applicability***

Whenever a Squad call requiring an ambulance occurs.

### ***5.3 Requisites***

- An ambulance
- A Squad member qualified for driver duty
- A Squad member qualified for medical duty

### ***5.4 Procedure Description***

Except as noted below, no Squad ambulance shall be driven to a call scene without at least one person qualified for driver duty and one EMT qualified for medical duty aboard.

Alternatively, an EMT qualified for medical duty and who is on the scene may direct a person qualified for driver duty to respond to the scene with the ambulance.
